IIC 5.0 Calendar Activities for Academic Year 2023-24

Report of the Event- Fueling Innovation: A Journey in entrepreneurship with the founder of Rocket Wheel (27.11.2023)

Total 54 members attended the IIC seminar on "Fueling Innovation: A Journey in entrepreneurship with the founder of Rocket Wheel" delivered by K Harikrishna, Founder and CEO of Rocket Wheel on 27.11.2023 11:10-12:30pm at Civil Seminar Hall (Offline), GMRIT, Rajam, Andhra Pradesh. Harikrishna's insights on employability, self-employment, and the entrepreneurial phases are highlighted. The narrative explores the distinction between working for others and forging a personal business path and also discussed about scalability and marketability of the ideas. The report delves into the transformative journey shared during the event, providing students with a comprehensive understanding of venturing into entrepreneurship. Overall, it captures the event's essence, emphasizing the significance of building one's ventures and navigating the dynamic landscape of entrepreneurship.
