Report of the Guest Lecture - Startup and Entrepreneurship Skills for Young Minds (3-8-2023)

The Guest Lecture on "Startup and Entrepreneurship Skills for Young Minds" is conducted by GMRIT, Dept. of Civil Engineering on 3.08.2023 through online to educate the students about the skillset for Startups and Entrepreneurship. Total 42 members were joined from 2nd & 3rd Year. Er.T.Harrish, Managing Director of Aki Groups is the resource person of the guest lecture. Through this guest lecture, Students had an overall idea on how to start startup and the usage of minimum viable products for developing the startup. Resource person also shared some information on getting funds for scaling up a startup, marketing, branding etc and how to approach Angel investors for investing in our ideas. He gave brief idea about Assets and Liabilities, Marketing and biggest challenges for being an entrepreneur. He explained in detail about the various attributes of successful entrepreneurs such as drive, communication skills and technical skills. The lecture motivated the students to work hard and start a new venture through adequate forward planning and the execution of the plans.
