Report of the Event (Paper Presentation)
16/02/2024

The Project and Innovation Club of the Department of Electrical and Electronics Engineering proudly organized the Paper Presentations event on February 16th, 2024, from 11:00 AM to 5:00 PM, with 26 participants in attendance. This event offered an intellectually stimulating experience where participants had the opportunity to present their research findings, innovative ideas, and solutions. It provided a platform for showcasing academic prowess, engaging with like-minded individuals, and inspiring discussions on cutting-edge topics. The event emphasized intellectual exchange and knowledge dissemination, allowing participants to let their ideas resonate in an environment dedicated to scholarly dialogue.
